The image shows a standard EU energy label for a Hitachi monitor. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the brand name "HITACHI" and model number "39HE4005" are printed. The energy efficiency scale is shown as a vertical bar with seven levels: A (green), B (light green), C (yellow-green), D (yellow), E (orange), F (dark orange), and G (red). An arrow points to level F, indicating the monitor's energy class. Below the scale, the energy consumption is listed as "43 kWh/1000h". A diagram of the monitor shows its dimensions: 1920 px width, 1080 px height, 98 cm diagonal, and 39" diagonal. At the bottom, there is a barcode and the number "50550094". The date "2019/2013" is printed vertically on the right side.
