DODACI

Daljinski upravljač	Yes
Baterija daljinskog upravljača	Yes
Mali daljinski upravljač	No

SNAGA / ENERGIJA

Potrošnja energije u stanju pripravnosti	0,5W
Radni napon - frekvencija	0,5W(ST-BY)220-240V AC 50Hz
Luminance%	0,72
Olovo (mg)	0
Živa (mg)	0
12V TV (mobilni TV)	No

The image shows a standard EU energy label for a Hitachi monitor. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt icon. To the right is a QR code. Below this, the brand name "HITACHI" and the model number "24HAE2250" are printed. The main part of the label is a vertical scale of seven colored arrows representing energy efficiency classes from A (green) at the top to G (red) at the bottom. The arrow for class F is highlighted with a black arrow pointing to it from the right, and the letter "F" is printed in a black box next to it. Below the scale, the energy consumption is listed as "22 kWh/1000h". Underneath that is a smaller version of the scale with the letters "A B C D E F G" above it, and a black box containing the text "HDR" and "22 kWh/1000h". Below this is a diagram of the monitor showing its dimensions: a width of 1366 px, a height of 768 px, a diagonal of 60 cm (24 inches), and a resolution of 24". At the bottom left is a barcode, and at the bottom right is the number "50551073". On the far right edge, the date "2019/2013" is printed vertically.
