The image shows an energy label for a Hitachi 24HE2100 monitor. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the brand name "HITACHI" and model number "24HE2100" are printed. The central part of the label features a vertical scale of energy efficiency classes from A (green) to G (red). A black arrow points to class F. Below the scale, the energy consumption is listed as "22 kWh/1000h". At the bottom, there is a diagram of the monitor with its dimensions: 1366 Px resolution, 768 Px height, and a 60 cm (24") diagonal. A barcode and the number "50550098" are at the very bottom. The date "2019/2013" is printed vertically on the right side.
