12V TV (mobiele tv)	JA

The image shows a standard EU energy label for a Hitachi 24HE2101 monitor. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt symbol. To the right is a QR code. Below this, the brand name "HITACHI" and model number "24HE2101" are printed. The central part of the label features a vertical scale of energy efficiency classes from A (green) to G (red). A black arrow points to class F, indicating the monitor's energy efficiency. Below the scale, the energy consumption is listed as "22 kWh/1000h". Underneath, a diagram of the monitor shows its dimensions: a width of 1366 px, a height of 768 px, a diagonal of 60 cm, and a screen size of 24". At the bottom, there is a barcode and the number "50550099". The date "2019/2013" is printed vertically on the right side.
