The image shows a standard European energy label for a Hitachi television. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the brand name "HITACHI" and model number "43HK5601" are printed. The main part of the label is a scale of energy efficiency from A (green) to G (red), with a black arrow pointing to G. Below the scale, the energy consumption is listed as "54 kWh/1000h". Underneath that is an "HDR" label with a scale from A to G, and a value of "88 kWh/1000h". A diagram of the TV shows its dimensions: 3840 px width, 2160 px height, and a diagonal of 108 cm (43 inches). At the bottom, there is a barcode and the number "50550075". A small date "2019/2013" is printed vertically on the right side.
