The image shows an energy label for a Hitachi television. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the brand name "HITACHI" and model number "65HAL7150" are printed. A vertical scale of energy efficiency classes from A (green) to G (red) is shown, with a black arrow pointing to class E. Below the scale, the energy consumption is listed as "85 kWh/1000h". Underneath, there is an "HDR" logo with a scale from A to G, and the same energy consumption value "85 kWh/1000h". A diagram of the TV screen shows a resolution of 3840 px by 2160 px, a diagonal size of 164 cm (65 inches), and a 65-inch label. At the bottom, there is a barcode and the number "50550150". The date "2019/2013" is printed vertically on the right side.
