The image shows a standard EU energy label for a Hitachi television. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the brand name "HITACHI" and model number "65HAL7250" are printed. The main part of the label features a vertical scale of energy efficiency classes from A (green) at the top to G (red) at the bottom. A black arrow points to the class "G". Below the scale, the energy consumption is listed as "109 kWh/1000h". Underneath, there is a section for "HDR" with a scale from A to G, also pointing to "G" and listing "109 kWh/1000h". A diagram of the TV shows its resolution as "3840 px" wide and "2160 px" high, with a diagonal measurement of "164 cm" and "65\".
