ZUBEHÖR

Fernbedienung	Yes
Batterie der Fernbedienung	Yes
Kleine Fernbedienung	No

LEISTUNG / ENERGIE

Standby-Energieverbrauch	0,5W
Arbeitsspannung - Frequenz	220-240V AC 50Hz
Leuchtdichte%	0,72
Blei (mg)	0
Quecksilber (mg)	0
12V TV (mobiles Fernsehen)	No

The image shows a standard EU energy label for a Hitachi monitor. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the brand name "HITACHI" and model number "32HAE4250" are printed. The main part of the label is a vertical scale of energy efficiency classes from A (green) to G (red). The class "F" is highlighted with a black arrow pointing to it from the right. Below the scale, the energy consumption is listed as "32 kWh/1000h". Underneath, there is a section for "HDR" with a scale from A to G, where "F" is also highlighted. Below that, a monitor icon is shown with its dimensions: 1920 px width, 1080 px height, and a diagonal of 80 cm (32 inches). At the bottom, there is a barcode and the number "50551067". A small date "2019/2013" is printed vertically on the right side of the label.
