ZUBEHÖR

Fernbedienung	JA
Batterie der Fernbedienung	JA
Kleine Fernbedienung	NEIN

LEISTUNG / ENERGIE

Standby-Energieverbrauch	0,5W(ST-BY)
Arbeitsspannung - Frequenz	220-240V AC 50Hz
Leuchtdichte%	72%
Blei (mg)	0
Quecksilber (mg)	0
12V TV (mobiles Fernsehen)	NEIN

The image shows a standard EU energy label for a Hitachi monitor. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the brand name "HITACHI" and model number "43HAK6150" are printed. The main part of the label is a vertical scale of seven colored arrows representing energy efficiency classes from A (green) at the top to G (red) at the bottom. The arrow for class G is highlighted with a black arrow pointing to it from the right. Below the scale, the energy consumption is listed as "54 kWh/1000h". Underneath that is a box with "HDR" and "54 kWh/1000h". At the bottom, there is a monitor icon with its resolution "3840 px" and "2160 px" and its size "108 cm" and "43\". A barcode and the number "50551033" are at the very bottom.
