The image shows a standard EU energy label for a Hitachi H32E2100 monitor. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the brand name "HITACHI" and model number "H32E2100" are printed. The central part of the label features a vertical scale of energy efficiency classes from A (green) to G (red). A black arrow points to class F. Below the scale, the energy consumption is listed as "32 kWh/1000h". At the bottom, there is a diagram of the monitor with dimensions: 1366 px (width), 768 px (height), 80 cm (diagonal), and 32" (diagonal). A barcode and the number "50550361" are at the bottom left, and the date "2019/2013" is at the bottom right.
