The image shows a standard EU energy label for a Hitachi television. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the brand name "HITACHI" and the model number "32FB32HE2100" are printed. The energy efficiency scale is shown as a vertical bar with seven levels: A (green), B (light green), C (yellow-green), D (yellow), E (orange), F (dark orange), and G (red). An arrow points to level F, indicating the product's energy class. Below the scale, the energy consumption is listed as "32 kWh/1000h". A diagram of the television shows its dimensions: a width of 1366 px, a height of 768 px, and a diagonal screen size of 80 cm (32 inches). At the bottom, there is a barcode and the number "50550548". The date "2019/2013" is printed vertically on the right side.
