The image shows a standard EU energy label for a Hitachi monitor. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the brand name "HITACHI" and the model number "32HAE2252" are printed. The main part of the label is a scale from A to G, represented by colored arrows pointing right. The arrow for 'F' is highlighted with a black arrow pointing left towards it, indicating the product's energy class. Below the scale, the energy consumption is listed as "32 kWh/1000h". Underneath, there is a section for "HDR" with a scale from A to G, where 'F' is also indicated. Below that, a monitor icon shows dimensions: 1366 px width, 768 px height, 80 cm diagonal, and 32" diagonal. At the bottom, there is a barcode and the number "50551071". A small date "2019/2013" is printed vertically on the right side.
