12V TV (mobilna TV)	NE

The image shows a standard EU energy label for a Hitachi television. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the brand name "HITACHI" and model number "55HK5600" are printed. The main part of the label features a vertical scale of energy efficiency classes from A (green) at the top to G (red) at the bottom. A black arrow points to the class "G". Below the scale, the energy consumption is listed as "82 kWh/1000h". Underneath that, there is a section for HDR with a scale from A to G, where "G" is selected, and the consumption is "123 kWh/1000h". A diagram of the TV shows a screen size of 55 inches (139 cm diagonal), a resolution of 3840 Px by 2160 Px. At the bottom, there is a barcode and the number "50550088". The date "2019/2013" is printed vertically on the right side.
