## MONITOR

|                    |           |
|--------------------|-----------|
| Tamaño de pantalla | 32"       |
| Resolución         | 1920x1080 |

## PRINCIPALES CARACTERÍSTICAS

|                    |           |
|--------------------|-----------|
| Smart TV           | Yes       |
| Tipo de procesador | QUAD CORE |
| TV-DVD Combi       | No        |

## CARACTERÍSTICAS DE SMART TV

|                                |                |
|--------------------------------|----------------|
| HBBTV                          | HbbTV          |
| Netflix                        | Yes            |
| Netflix 4K                     | No             |
| Youtube                        | Yes            |
| Youtube 4K                     | No             |
| Juego de TDT                   | No             |
| WLAN interna                   | YES (INTERNAL) |
| Bluetooth                      | Yes            |
| AVS                            | No             |
| Pantalla espejo (Miracast)     | GOOGLE CAST    |
| Aplicación de guía inteligente | Yes            |
| Aplicación remota inteligente  | Yes            |

## SINTONIZADOR / DIFUSIÓN

|                                                               |       |
|---------------------------------------------------------------|-------|
| Sintonizador dual                                             | No    |
| Decodificador HEVC (H.265)                                    | Yes   |
| Híbrido Log Gamma (HLG)                                       | Yes   |
| Guía electrónica de programas (EPG)                           | Yes   |
| Auto búsqueda                                                 | Yes   |
| Capacidad de almacenamiento del programa (analógico)          | 200   |
| Capacidad de almacenamiento del programa (Digital S / S2)     | 10000 |
| Capacidad de almacenamiento del programa (Digital T / T2 / C) | 800   |
| Entrada de antena                                             | Yes   |
| Freesat                                                       | No    |

| <b>12V TV (TV móvil)</b>               | No               |

The image shows a standard EU energy label for a Hitachi monitor. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the brand name "HITACHI" and model number "32HAE4250" are printed. The main part of the label is a scale of energy efficiency from A (green) to G (red). The monitor is positioned at the 'F' level, which is highlighted with a black arrow pointing to it. Below the scale, the energy consumption is listed as "32 kWh/1000h". Underneath that is a smaller version of the scale with "HDR" in a black box, also indicating "32 kWh/1000h". A monitor icon shows a resolution of "1920 px" and a diagonal size of "80 cm / 32\"", with "1080 px" written vertically on the right side. At the bottom, there is a barcode and the number "50551067". A small date "2019/2013" is printed vertically on the right edge.
