The image shows an energy label for a Hitachi 75HL7100 television. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the brand name "HITACHI" and model number "75HL7100" are printed. A vertical scale of energy efficiency classes from A to G is shown, with class G highlighted in a black arrow pointing left. Below the scale, the energy consumption is listed as "155 kWh/1000h". Underneath, there is a section for HDR with a scale from A to G, where G is highlighted, and the consumption is "205 kWh/1000h". A diagram of the TV shows a screen size of 189 cm (75 inches) and a resolution of 3840 px by 2160 px. At the bottom, there is a barcode and the number "50550103". The date "2019/2013" is printed vertically on the right side.
